Zoo Benches

Benches are a great way to relax and enjoy the beautiful scenery during your visit to the Sequoia Park Zoo.

You can commemorate a special event or provide a lasting memorial on one of our benches. Your special message will be engraved on a bronze plaque and placed on the upper portion of the bench.

Available in several locations around the Zoo, our tribute benches are made of recycled plastic, are environmentally friendly and comfortable.

To honor your loved one, please provide the name and address of the person you wish to honor, as well as the occasion of the gift. We will notify the person being honored of your generous donation. There is truly no better way to pay tribute to someone than with a gift to an organization that has touched the lives of so many.

Sequoia Park Zoo benches are light brown with black cast iron legs. 4' & 6' styles available.
