

Application EVERYONE'S ZOO PROGRAM

The goal of the EVERYONE'S ZOO PROGRAM is to provide opportunities for people in our community to visit the Sequoia Park Zoo who otherwise may not be able to afford the price of admission or whose connection to community resources and support will in some way benefit their treatment and care. We want to make certain everyone in our community can experience the educational, interpretive and wonder-inspiring experience that the Zoo has to offer. This program is subsidized with support from local donations and foundations and therefore we have a limited amount of zoo passes and tickets available for this program. We may be unable to accommodate all requests.
